Well done to our team who represented our school, the Small School's, The Deniliquin District and the Riverina Region at the State PSSA Swimming Championships in Sydney on the final day of last term. It was fantastic for us to be able to watch them as a whole school on the live stream on the day. A big thanks to all of our swimmers families for their time, effort and support in helping provide such a once in a lifetime experience for Josh, Tiia, Lara and Fred.

Parenting Tip:

Don't clip your child's wings. Your child's mission in life is to gain independence. So when they are developmentally capable of putting their toys away, making their own sandwich or packing the dishwasher, let them. Giving a child responsibility is good for their self-esteem (and your sanity!).
