Once again the Sweat V Steam is on, raising monies for Echuca/Moama schools and community groups. It will be taking place on Sunday the 8<sup>th</sup> October at the Hopwood Gardens.

Bunnaloo Public School has applied to the Sweat V Steam for grant monies to contribute to costs of excursions. As part of the application the school will be required to provide people to assist on the day. In the past we have had people on the finish line, marshalling in the kids race and people on check points on the course. It would be great to see as many people there...

It would also be fantastic to see our students (and parents) enter the events. This year there is the Kids Dash, the kids 2km River Run as well as the usual 5km and 10km Fun Run/Walk events.

Head to the website to enter.
