## Leo Barry Fun Day

Last Friday the Small Schools footy team played at the Rams Oval on what was a beautiful sunny day.

It was great to see the kids from Bunnaloo, Conargo, Blighty and Mayrung combine in a fun supportive environment.

The team played 5 games throughout the day, even though scores weren't kept the games were close, with all trying their best.

Well Done to all of the players.

## Year 3/4 Camp

Well Done to our 3/4 students on their excellent efforts, engagement & behaviour on their excursion to Billabong Ranch last Wednesday to Friday.

Some photos have been included with this newsletter.

It was an absolute pleasure to be involved in the camp and see our students put all of their efforts into the many tasks, activities and challenges that were set of them.

A huge thanks to Mrs Marchment for all of her time and effort in organising and running such an outstanding excursion.

Once again the Sweat V Steam is on, raising monies for Echuca/Moama schools and community groups. It will be taking place on Sunday the 8<sup>th</sup> October at the Hopwood Gardens.

Bunnaloo Public School has applied to the Sweat V Steam for grant monies to contribute to costs of excursions. As part of the application the school will be required to provide people to assist on the day. In the past we have had people on the finish line, marshalling in the kids race and people on check points on the course. It would be great to see as many people there...

It would also be fantastic to see our students (and parents) enter the events. This year there is the Kids Dash, the kids 2km River Run as well as the usual 5km and 10km Fun Run/Walk events.

Head to the website to enter.
